Dedication .....	.iii
Primary authors .....	v
Contributing authors .....	.vi
Acknowledgements .....	.xvii
Foreword .....	.xxi
Prologue .....	.xxiii
Introduction .....	.1
Intro.1 A watershed book with a national perspective .....	.2
Intro.2 Primary authors' perspectives .....	.3
Intro.3 Values and beliefs for enabling occupation .....	.3
Intro.4 Background of Canadian guidelines development .....	.4
Intro.5 The Canadian context .....	.5
Intro.6 Learner-centred practice guidelines .....	.7
Intro.7 Voice and audience .....	.7
Intro.8 Organization of the book .....	.8

## **SECTION I**

Occupation: The core domain of concern for occupational therapy .....	.9
Introduction .....	.10
Chapter 1: Specifying the domain of concern: Occupation as core .....	.13
1.1 Introduction .....	.14
1.2 The evolution of our occupational perspective: Occupation as the core domain .....	.15
1.3 Specification of an occupational perspective: Our language .....	.17
1.4 Specification of an occupational perspective: Our assumptions .....	.20
1.5 Specification of an occupational perspective: Our Canadian model .....	.22
1.6 The CMOP-E and other models of occupation .....	.27
1.7 The CMOP-E and the International Classification of Functioning, Disability, and Health .....	.33
Chapter 2: Human occupation in context .....	.37
2.1 Introduction .....	.39
2.2 Understanding human occupation .....	.39
2.3 The characteristics of human occupation .....	.40
Chapter 3: Occupational science: Imperatives for occupational therapy .....	.63
3.1 Introduction .....	.64
3.2 Occupational science and occupational therapy from the perspective of Daniel Molke .....	.65

3.3 Occupation and spirituality from the perspective of Sue Baptiste .....	68
3.4 Occupational well-being from the perspective of Susan Doble and Josiane Caron Santha .....	69
3.5 Occupational choice and control from the perspective of Bonnie Kirsh .....	71
3.6 Social context and occupational choice from the perspective of Brenda Beagan and Zofia Kumas-Tan .....	72
3.7 Culture and occupation from the perspective of Michael Iwama .....	74
3.8 Human geography and occupation from the perspective of Debbie Lalliberte Rudman .....	76
3.9 Occupational alienation, apartheid and deprivation from the perspective of Rachel Thibeault .....	77
3.10 Occupational justice and injustice from the perspective of Robin Stadnyk .....	80

## **SECTION II**

<b>Enablement: The core competency of occupational therapy .....</b>	<b>83</b>
Introduction .....	84
<b>Chapter 4: Enabling: Occupational therapy's core competency .....</b>	<b>87</b>
4.1 Introduction .....	88
4.2 Defining enablement .....	92
4.3 Defining enablement with diverse clients .....	95
4.4 Defining enablement in alignment with client-centred practice .....	98
4.5 Enablement foundations .....	100
4.6 The Canadian Model of Client-Centred Enablement (CMCE) .....	109
4.7 Enablement skills .....	111
4.8 Enablement continuum .....	128
4.9 Reflections on enablement .....	132
<b>Chapter 5: Enabling individual change .....</b>	<b>135</b>
5.1 Introduction .....	136
5.2 Enablement foundations and skills with individuals, families, and groups .....	137
5.3 Change models for enablement with individuals, families, and groups .....	140
5.4 Asset-based enablement with individuals, families, and groups .....	141
<b>Chapter 6: Enabling social change .....</b>	<b>153</b>
6.1 Introduction .....	154
6.2 Defining communities, organizations, and populations .....	156
6.3 Enablement foundations and skills with communities, organizations, and populations .....	157
6.4 Change models for enablement with communities, organizations, and populations .....	160
6.5 Asset-based enablement with communities, organizations, and populations .....	161

## **SECTION III**

<b>Occupation-based enablement</b> . . . . .	173
Introduction . . . . .	174
<b>Chapter 7: Occupation-based enablement: A practice mosaic</b> . . . . .	177
7.1 Introduction . . . . .	179
7.2 The breadth of occupational enablement . . . . .	180
7.3 Characteristics of occupation-based enablement: Specification of an occupational perspective . . . . .	182
7.4 Characteristics of occupation-based enablement: Specification of a practice . . . . .	183
7.5 Characteristics of occupation-based enablement: A practice mosaic . . . . .	185
7.6 Occupation-based enablement: Six exemplars . . . . .	191
<b>Chapter 8: Occupation-based practice: The essential elements</b> . . . . .	203
8.1 Introduction . . . . .	205
8.2 Five essential elements of practice: Trademarks of occupational therapy . . . . .	206
8.3 Occupational challenges . . . . .	208
8.4 Client-centred enablement: Client-specific goals/challenges/solutions . . . . .	214
8.5 Solutions that enable: Drawing on a multidisciplinary knowledge base . . . . .	214
8.6 Solutions that enable: Using abductive reasoning . . . . .	216
8.7 Solutions that enable: Determining the most acceptable solutions . . . . .	217
8.8 Solutions that enable: Effecting occupational change . . . . .	217
<b>Chapter 9: Introducing the Canadian Practice Process Framework (CPPF): Amplifying the context</b> . . . . .	229
9.1 Introduction . . . . .	231
9.2 The Canadian Practice Process Framework . . . . .	233
9.3 Amplifying the contexts of practice . . . . .	235
9.4 Frame(s) of reference as context: Models of practice, theories, and service delivery . . . . .	242
9.5 Moving through the contexts . . . . .	244
<b>Chapter 10: Using the Canadian Practice Process Framework: Amplifying the process</b> . . . . .	247
10.1 Introduction . . . . .	249
10.2 The Canadian Practice Process Framework: Eight action points . . . . .	249
10.3 The process in its entirety: The full pathway . . . . .	250
10.4 Alternate pathways: The repeated pathway . . . . .	264
10.5 Alternate pathways: Two abbreviated pathways . . . . .	265
10.6 Summation . . . . .	271

## **SECTION IV**

<b>Positioning occupational therapy for leadership</b> . . . . .	273
Introduction . . . . .	274
<b>Chapter 11: Escalating participation in scholarly practice for enabling occupation</b> . . . . .	277
11.1 Introduction . . . . .	278
11.2 Escalating participation in scholarship on occupation and enablement . . . . .	279

11.3 Escalating participation in evidence-based practice in enabling occupation .....	288
11.4 Getting involved in scholarship and evidence-based practice .....	293
<b>Chapter 12: Accountability for enabling occupation: Discovering opportunities .....</b>	<b>297</b>
12.1 Introduction .....	298
12.2 Professional autonomy issues in a biomedical context .....	299
12.3 Accountability opportunities in program evaluation and quality assurance .....	304
12.4 Accountability opportunities in occupational therapy regulation .....	307
12.5 Ethical and moral issues in being accountable .....	308
12.6 Developing accountability opportunities for enabling occupation .....	309
<b>Chapter 13: Funding, policy, and legislative opportunities .....</b>	<b>315</b>
13.1 Introduction .....	316
13.2 The Canadian health system .....	316
13.3 Public-sector health funding for occupational therapy .....	317
13.4 Occupational therapy in rehabilitation services .....	318
13.5 Occupational therapy in mental health services .....	319
13.6 Private-sector health funding for occupational therapy .....	320
13.7 Funding for occupational therapy beyond health services .....	320
13.8 Emerging funding for occupational therapy .....	322
13.9 Positioning new occupational therapy initiatives .....	323
13.10 Getting involved in private occupational therapy practice .....	324
<b>Chapter 14: Occupational therapy workforce planning .....</b>	<b>329</b>
14.1 Introduction .....	331
14.2 A brief history of occupational therapy in Canada: Context for workforce planning .....	332
14.3 Supply profile of Canada's occupational therapy workforce .....	335
14.4 Supply of graduates from Canadian occupational therapy university programs .....	338
14.5 Influences of immigration and emigration on workforce supply .....	341
14.6 The growing supply of occupational therapy support personnel .....	342
14.7 Demand for and utilization of Canada's occupational therapy workforce .....	344
14.8 Supply and utilization of the occupational therapy workforce in Québec .....	346
14.9 Retention and career development .....	348
14.10 Occupational therapy partners in interprofessional contexts .....	349
14.11 Stakeholder strategies in occupational therapy workforce planning .....	350
<b>Epilogue .....</b>	<b>359</b>
<b>Glossary .....</b>	<b>364</b>
<b>References .....</b>	<b>377</b>
<b>Index .....</b>	<b>411</b>

## PRACTICE CASES and EXEMPLARS

Case 1	Bonnie Sherr Klein: Doing my real work . . . . .	14
Case 2	A Burundian perspective in Canada . . . . .	38
Case 3.1	Emma in waiting . . . . .	64
Case 3.2	Hussein and the cab . . . . .	78
Case 4	Joshua, Beth, and Joanne: Enablement possibilities . . . . .	88
Case 5.1	Catherine's story: Enabling individual change . . . . .	136
Case 5.2	Pierre and the interdependence of enabling individual change . . . . .	142
Case 6.1	Bintu's story: Enabling social change . . . . .	154
Case 6.2	John and enablement with a community service . . . . .	161
Case 6.3	Nettie: Enabling organizational development . . . . .	166
Case 6.4	Practice and research as an agent of social change . . . . .	167
Case 6.5	Lucy and Peter, and population health . . . . .	169
Case 7	Daniel and the hoop shot . . . . .	178
Practice exemplar 7.1	Enabling school-based competence by Noémi Cantin . . . . .	191
Practice exemplar 7.2	Occupation-based orthotic intervention by Pat McKee and Annette Rivard . . . . .	193
Practice exemplar 7.3	Enabling return to work by Bonnie Kirsh . . . . .	195
Practice exemplar 7.4	Occupation-based retirement planning by Debbie Laliberte Rudman . . . . .	197
Practice exemplar 7.5	An occupation-based perspective on design by Patty Rigby . . . . .	199
Practice exemplar 7.6	An occupation-based perspective on institutional site redevelopment by Nancy Lin . . . . .	200
Case 8.1	Reflections on Martha: Learnings from a second look . . . . .	204
Case 8.2	Suhail's desire to go to school . . . . .	222
Case 8.3	Mary's move to a nursing home . . . . .	223
Case 8.4	Growing up in Iran and immigrating to Canada . . . . .	225
Case 9.1	Jim's negotiated return to work . . . . .	230
Case 9.2	Judy and Emily's story . . . . .	238
Case 9.3	Lynette and Harika's story . . . . .	241
Case 9.4	Benjamin and Sara's story . . . . .	244
Case 9.5	Jim's story in context . . . . .	245
Case 10.1	Margaret's non-retirement . . . . .	248
Case 10.2	Lynette and Harika's story (continued from case 9.3) . . . . .	265
Case 10.A1	Beth and Zayan . . . . .	267
Case 10.A2	Jacquie and the community program for new mothers with substance abuse issues . . . . .	268
Case 10.A3	Judy and Emily's story (continued from case 9.2) . . . . .	268
Case 10.B1	Isabella and Michael . . . . .	269
Case 10.B2	Nursing home consultation . . . . .	270
Case 11	Marjorie and Joe: Building evidence-based practice . . . . .	278
Case 12	Esther's story of managing accountability . . . . .	298
Case 13	Paulette: A policy analyst in community services . . . . .	316
Case 14	Eugene's dilemmas in recruitment and retention . . . . .	330

## FIGURES

1.1 The Taxonomic Code of Occupational Performance (TCOP) . . . . .	19
1.2 Basic assumptions . . . . .	21
1.3 The CMOP-E: Specifying our domain of concern . . . . .	23
1.4 International Classification of Functioning, Disability and Health . . . . .	33
1.5 Models of health and well-being . . . . .	36
2.1 Characteristics of human occupation . . . . .	41
3.1 International/Canadian growth of occupational science from 1989 to 2006 . . . . .	67
3.2 A framework of occupational justice: occupational determinants, instruments, contexts, and outcomes . . . . .	81
4.1 Occupational therapy clients . . . . .	96
4.2 Occupational therapy enablement foundations . . . . .	101
4.3 Canadian Model of Client-Centred Enablement (CMCE) . . . . .	110
4.4 Enablement continuum . . . . .	129
4.5 Four decision-making points on a disablement-enablement continuum . . . . .	129
5.1 Enablement of a meaning perspective transformation process . . . . .	148
Section III Occupational Enablement . . . . .	174
7.1 The breadth of occupational therapy focused on enablement . . . . .	182
8.1 Map of everyday experiences . . . . .	211
8.2 Fit Chart . . . . .	213
9.1 Canadian Practice Process Framework (CPPF) . . . . .	233
11.1 The occupation of getting involved in evidence-based practice . . . . .	294
14.1 Evolving ideas in Canadian occupational therapy . . . . .	333
14.2 Age categories of CAOT members in 2005 . . . . .	336
14.3 Evolution of Canadian occupational therapy education . . . . .	339

## TABLES

Intro.1 Distinguishing the 1997 and 2002 guidelines from <i>Enabling Occupation II</i> . . . . .	6
1.1 Modes of occupational interaction . . . . .	26
1.2 The CMOP-E and other major models of occupational performance . . . . .	28
1.3 Comparison of key concepts across the major models of occupation . . . . .	30
1.4 Comparison of ICF and CMOP-E . . . . .	34
1.5 Domains of activity and participation in the ICF . . . . .	35
2.1 Excerpt from the <i>International Standard Classification of Occupations</i> . . . . .	43
2.2 Canadian patterns of occupation . . . . .	45
2.3 External/internal factors for occupational patterns . . . . .	46
2.4 Environmental factors of the International Classification of Functioning, Disability and Health: Services, systems and policies . . . . .	53
4.1 Enablement reasoning: Imperative of enablement as core competency . . . . .	91
4.2 Client descriptors . . . . .	97
4.3 Sparking visions of possibility: Discussion points . . . . .	103
4.4 Canadian Model of Client-Centred Enablement (CMCE) highlights . . . . .	110
4.5 Key occupational therapy enablement skills : The spectrum at a glance . . . . .	113
4.6 A spectrum of occupational therapy: Key and related enablement skills . . . . .	114
4.7 Enablement skills and competency roles . . . . .	116

5.1 Enablement foundations and skills: Catherine's story . . . . .	137
5.2 Enablement foundations and skills: Pierre's story . . . . .	143
6.1 Enablement foundations and skills with communities, organizations, and populations . . . . .	158
6.2 Community Development Continuum Model . . . . .	164
7.1 Occupation enablers . . . . .	180
7.2 Characteristics of occupation-based enablement . . . . .	185
7.3 Practice exemplars: Our multifaceted practice mosaic . . . . .	192
8.1 Essential elements of an occupation-based practice . . . . .	206
9.1 The eight action points of the Canadian Practice Process Framework (CPPF) . . . . .	234
9.2 Four key elements of the Canadian Practice Process Framework (CPPF) . . . . .	236
9.3 Societal context and the Canadian Practice Process Framework (CPPF) . . . . .	237
9.4 Practice context embedded in the societal context . . . . .	237
9.5 Personal factors: Examples . . . . .	238
10.1 The Canadian Practice Process Framework (CPPF): Eight action points at a glance . . . . .	257
10.2 Three CPPF contexts for Margaret's non-retirement . . . . .	252
10.3 Enter/initiate . . . . .	253
10.4 Set the stage . . . . .	255
10.5 Assess/evaluate . . . . .	257
10.6 Agree on objectives and plan . . . . .	259
10.7 Implement the plan . . . . .	261
10.8 Monitor and modify . . . . .	262
10.9 Evaluate outcome . . . . .	263
10.10 Conclude/exit . . . . .	264
11.1 Integrating scholarship in practice . . . . .	283
11.2 Integrating evidence in practice . . . . .	289
11.3 Internet sources of evidence for occupational therapy . . . . .	290
11.4 Evidence-based search strategies . . . . .	291
11.5 Checklists to critically appraise evidence . . . . .	292
12.1 Conscious competence as a tool to define accountability opportunities . . . . .	310
12.2 Accountability questions . . . . .	310
12.3 Accountability opportunities . . . . .	311
12.4 Enabling occupation audit . . . . .	313
13.1 Private practice start-up checklist . . . . .	325
14.1 Canadian occupational therapy programs 2006, west to east . . . . .	338
14.2 Occupational therapists working with support personnel in Canada per province . . . . .	343
14.3 Disability rates compared with rates of occupational therapists per 100,000 population . . . . .	345
14.4 Recommendations from the Canadian Occupational Therapy Workforce Integration Project . . . . .	351
14.5 Occupational therapy stakeholders . . . . .	352
14.6 Occupational therapy workforce planning: A strategy to develop leadership in enabling occupation . . . . .	353

## TEXT BOXES

1.1 Rick and Dick Hoyt .....	25
2.1 Reflections on time and occupation .....	47
2.2 Reflections on Ugandan children in their community .....	49
2.3 <i>Canadian Charter of Rights and Freedoms and Canadian Human Rights Act</i> .....	54
2.4 Reflections on macro occupational disruptions .....	59
4.1 Defining advocate, enable, mediate .....	93
4.2 Reflections on individualism .....	95
4.3 Reflections on clients and diversity .....	98
4.4 Reflections on client participation .....	102
4.5 Reflections on power-sharing .....	109
4.6 Mapping Canadian enablement skills and competency roles .....	115
4.7 Reflections on occupational therapists' enablement skills and "humanness" .....	133
5.1 Reflections on client voice .....	140
5.2 Reflections on assets, deficits, trust, and risk .....	145
5.3 Reflections on enablement across the scope of practice .....	151
6.1 Reflections on power-sharing with diverse communities .....	159
6.2 Reflections on the diversity of populations and social conditions .....	171
7.1 Reflections on familiar activities .....	186
7.2 Impairment-focused approaches .....	188
7.3 Therapeutic use of activity and occupational enablement approaches .....	189
7.4 Reflections on stigma .....	197
8.1 Reflections on flow and poverty .....	212
8.2 Reflections on social place and occupational choice .....	226
9.1 Temporal influences on personal and environmental factors .....	240
9.2 Reflections on clients' frames of reference .....	243
10.1 Reflections on ageism .....	250
10.2 Reflections on developing rapport with clients .....	254
10.3 Reflections on respecting cultural differences .....	266
Section IV Randy Dickinson's message to occupational therapists .....	276
11.1 Professional reasoning in occupational therapy .....	280
11.2 Reflections on the global value of occupational therapy knowledge .....	281
11.3 Reflections on different values around scholarship and evidence .....	296
12.1 Competency roles and skills for being accountable .....	308
12.2 Reflections on the situational nature of accountability .....	313
13.1 Reflections on funding, policy, and legislation opportunities .....	327
14.1 Reflections on access to occupational therapy .....	354
