

Mentor profile

Full name

Please describe your experience as an occupational therapist or an occupational therapist assistant (including areas of practice and practice settings you have worked in, as well as any special training/certifications/expertise you may have).

I became an occupational therapist or an occupational therapist assistant because ...

What do you like to do for fun? Tell us a little bit about your leisure occupations and interests.

Optional: Do you have a professional social media account (i.e. Twitter, Facebook, LinkedIn, website)?
