

CAOT-Qc Outstanding Occupational Therapist of the Year award

Recipients

2022 Dominique Giroux

Dominique is recognized for her leadership in practice, research and education related to aging adults. She advocates strongly for social justice for seniors and vulnerable populations and is actively involved in various causes to facilitate the deployment of services to these groups. Dominique is also currently the Director of the Occupational Therapy Program at Université Laval, where she is deeply involved in developing the next generation of occupational therapists in Québec.

2021 Caroline Storr
