

## Dr. Helen P. LeVesconte Award for Volunteerism

### Recipients

2021 Rachel Thibeault

Rachel is recognized for her exceptional contributions to the profession of occupational therapy through volunteering with CAOT. Her recent contributions include sharing her time and knowledge to producing a series of 5 webinars, Pathways to Resilience, that are available free of charge to the occupational therapy community. These webinars have provided occupational therapists access to essential resources during a time that has been both difficult and challenging in all aspects of life. As the webinars have been made accessible to physicians and other health professionals in Canada and around the world, there has been a significant impact on the visibility and representation of our profession.
